

BUNDALEER

SOUTHERN FLINDERS RANGES

2004 SHIRAZ

For all of us at Bundaleer, creating wine isn't just a business, it's something we love to do! Our red wines are made exclusively from grapes grown at our family-owned and operated Bundaleer Vineyard, planted in 1998 in a former orchard area in the Southern Flinders Ranges region in South Australia.

The fruit for this single vineyard Shiraz was harvested towards the end of March, after an ideal growing season. Warm days with cooler nights allowed the fruit to ripen perfectly without stressing.

The vines produced a deeply coloured, rich Shiraz with delightful berry fruit flavours dominant. We matured the resultant wine in a mix of American and French oak for approximately 18 months. The 2004 Shiraz has a spicy, peppery nose with fresh ripe flavours of mulberry, licquorice and blackcurrant. The palate is medium bodied and the integration of fruit, silky tannins & oak shows through to the last mouthful. Bottled under screw cap, the wine is delicious now and will also benefit from cellaring for up to five years.
