

BUNDALEER

SOUTHERN FLINDERS RANGES

2007 RIESLING

For all of us at Bundaleer, creating wine isn't just a business, its something we love to do! Our Riesling is sourced from grapes grown at Eden Valley, one of Australia's greatest regions for growing Riesling.

This wine is made using only the free run juice and cool fermented in stainless steel vats until almost dry. The nose exhibits fragrant citrus blossom aromas with lemon, lime and floral flavours on the palate which are typical of Riesling from Eden Valley. It is light and crisp with a lingering finish which would be suitable to drink now but will cellar well under the screwcap seal.
