

BUNDALEER WINES
SOUTHERN FLINDERS RANGES

August 4, 2008

Trophy & Gold Medal for Bundaleer Wines

Industry newcomer Bundaleer Wines is delighted to announce we have been awarded our first ever trophy for best Riesling in the competition at the 2008 Winewise Small Vigneron Awards.

Our 2007 Riesling, produced from specially selected premium Riesling vineyards, achieved top score and a gold medal in its class and the trophy for the best Riesling from all classes in this well-respected competition.

Bundaleer's winemaker Angela Meaney is thrilled at the news.

"We've been making wine at Bundaleer for seven years and we are still seen as new to the game, but this shows that even new producers in new wine regions can make excellent, industry-respected wines."

The Winewise Awards also awarded Bronze medals to our 2005 Shiraz and 2005 Cabernet, both sourced exclusively from our family owned and operated vineyard behind the Bundaleer Forest just south of Jamestown in the Southern Flinders Ranges wine region.

At Sydney's Boutique Wine Awards Bundaleer scored Bronze for both our 2005 Shiraz and our signature Sparkling Shiraz.
