

BUNDALEER

SOUTHERN FLINDERS RANGES

SPARKLING SHIRAZ

South Australians can justly call this unique concept of putting bubbles into big reds their own, the best of them grown and made from the ground up. Ripeness here has been judged perfectly on the vine to deliver exotic dark berry flavours and proper red wine complexities, oak underlying without over-dramatic influence and an undeniable persistence and length of flavour. Get some in for spring and the silly season.

Hyatt/Advertiser SA Wine of the Year Awards 2008

The iconic Aussie style of sparkling red is beautifully displayed in this spicy, plum and pepper sparkler. With no grip or tannin to distract you, this is a wine that should be drunk ice cold, with the greatest of barbecues and your best of mates.

Matthew Jukes, UK Wine writer 2008

Very full-flavoured and rich blackcurrant fruit; moderately sweet; the base wine was not simply a failed red.
