

BUNDALEER

SOUTHERN FLINDERS RANGES

SPARKLING WHITE

A classic sparkling wine style, Bundaleer Sparkling White is a lively wine full of flavour and character.

A lifted delicate nose with fresh lemon zest from the Chardonnay fruit and strawberries and cream from the Pinot Noir. The palate is fruit driven and fresh, with added layers of cream and softness from the malolactic and bottle fermentation.

The wine is well balanced and fresh, with lingering flavours and great mouthfeel.

A great wine to refresh the palate, to enjoy as an aperitif or to enjoy at any time for any reason!
Serve chilled and enjoy with great friends.
